1. G-2 Central Registry files contain the following traces on
Subject:

a. Agent Report Region XIII, dated 16 November 1950 (C-3) mentions the Ferenc TARKAI [] BuhNAKI, no identifying data, who is the Hungarian Boy Scout leader in Germany and Austria. He was allegedly visited by Laszlo ALAY, a possible Hungarian Intelligence agent.

b. Agent report, Region IV, dated 5 July 1950 (B-2) mentions one Ferenc TARKAI [] in KISBARNAK whose residence during July 1950 was Missing, Germany and who was a former General in the Hungarian Army; member of the AGN Central Committee and spoke on the "military potentiality of the nations oppressed by Russia in case of war".

c. KISBARNAK, residence April 1951, Arndorf, Stadtplatz 1, is presently the head of the military Commission of the ASK, and is looked up by many Hungarians as the leader of the Antibolshevik Hungarian Refugees throughout the western world. KISBARNAK maintains contact with Hungarians in nearly all parts of the world.

2. A check of the remaining names listed revealed no information.
